Best Green Companies is a partnership between The Sunday Times, leading market-research group Munro Global and environmental consultancy Bureau Veritas. The aim of the Best Green Companies venture is to become the benchmark for environmental excellence against which companies are able to measure their own performance year-on-year and to compare with other businesses operating at a similar level of environmental impact.

All products within this catalogue are Forest Stewardship Council® accredited. The Forest Stewardship Council® (FSC) is an international, non-governmental organisation dedicated to promoting responsible management of the world’s forests. It was founded in 1993 in response to public concern about deforestation and demand for a trustworthy wood-labelling scheme.

FFMA Coffin Certification Standard tests are applied to all coffins and caskets, to ensure best standards and impartiality. The FFMA is a link between manufacturers/suppliers, the funeral director and the crematoria. To ensure coffins/caskets are fit for purpose, they are tested to make sure there are no problems with handling, safety, pre-ignition, combustion and ash volume. All coffins within this catalogue have passed the tests.

A shared family experience.
Designed to unite family and friends by inviting multiple memories.

Family and friends united in grief - Pathway® provides a platform for you to collate any design from anywhere in the world. This can be designed or shared using our online web portal.

Eight design panels - Both sides and ends can be shared, using our Pathway website, so family and friends can contribute different life memories.

Final approval - We will agree and complete the design for you ready for the funeral.
Lid and frame options

Choose from three different lid options. Our blackboard lid for chalk inscriptions, our whiteboard lid for permanent marker inscriptions, or choose to have the lid covered in a full picture of your choice. Frames are natural as standard, or can be sprayed in a colour of your choice.

Printed Interiors

We can provide printed coffin fabric interiors carefully fitted using only natural cotton fabric in a range of designs. This gives the unique opportunity to customise the interior with any theme or colour of your choice. Choose to compliment your Pathway® coffin with a beautifully printed frill, pillow and duvet set to provide a memorable, comforting send-off for a loved one.

Using the same print technology, we can also have your Pathway® panels printed on padded fabric material giving it a soft, tactile look and feel.

Printed as singles or as a set (pictured) which includes:
- 12 inch Frill
- Pillow
- Duvet and cover
- ASAP lining

A PICTURE IS WORTH A THOUSAND WORDS...

is an English saying describing the notion that a complex idea can be conveyed into a single image. With a Reflections® coffin, we can help convey those special moments to commemorate and remember a life. Whether you choose a sporting theme, a landscape or something more abstract, our Reflections® design service will guarantee a picture coffin that is truly personal.

Designs can be chosen from our existing catalogue range, or we can create a unique personalised design. The following catalogue is to guide you with your choice.
